RoHS Compliance Statement

The European Directive 2011/65/EU concerns the restriction of certain hazardous substances in electrical and electronic equipment. In accordance with the directive Elektrokoppar has taken several actions into account to fulfill all requirements in the directive including amendments.

Articles from Elektrokoppar do not contain substances specified in the directive including amendments exceeding the specified concentration limits. This judgement is based on the chemical composition of our raw materials and our process chemicals.

Please contact us if you would need further information regarding our RoHS compliance.

Yours Sincerely,

Jonas Ciardi
